

# New Bonne Maman Food Service Range

Based in the heart of the French countryside, **Bonne Maman** now has a superb range of Biscuits and Cakes. As is to be expected, these adhere to their brand heritage by using traditional recipes and fresh natural ingredients – no artificial preservatives, flavourings and colourings - which is reflected in their superior quality and taste. The development of the Food Service range is the next step in the Bonne Maman Pâtisserie story – three unique lines presented in a style that reflects the brand values and guaranteed to bring a touch of class to hospitality service. You know when you see the gingham that it's going to taste good.

**La Madeleine** - the iconic shell-shaped cake.
