The Sensation for the Jubilee

Felchlin
SWITZERLAND

To celebrate the centenary of Felchlin, they have selected the finest cocoas for the production of the Centenario Jubilee Chocolates.

Centuries ago, chocolate was celebrated in South America in a rustic form. The fire-roasted beans were ground on a grindstone and processed in a simple manner. Crudo has a coarse texture with the cocoa and cane sugar easily noticeable on the tongue. The taste is intense, untamed and full of character..
